PRESIDENT PETE'S PUKA

THREE DOT JOURNALISM. Herb Caen was a world-class columnist for the *San Francisco Chronicle* who frequently embarked on what came to be known as three-dot journalism. This probably came about when (1) there really wasn't any big story to cover or (2) the writer was too hung over to write cohesively. I am resorting to it because Lori Hansen of our office staff who diligently, lovingly and even occasionally naggingly puts *GearShift* together each week, is on my case at 10am Tuesday morning so she can do her usual great job of getting your beloved newsletter out punctually. Here goes.

Thank you to those of you who filled out our survey. The Board will go over the results on Monday and the revelation will take place shortly thereafter... Please mark March 15 on your calendar. Not only will the president-elect of RI be here, we will also be recognizing a lot of our members who have made major Rotary Foundation commitments. It will be an exciting day!... How about our three new members last week? You ain't seen nuthin' yet. We had 14 candidates approved at the last Classification Committee meeting. The word is out; you are bringing in some great new prospects. Thank you; keep it up!... Our next Oak Tree Park cleanup will be Saturday April 21 from 9am-noon. We will also do it in conjunction with the District Conference on Saturday June 2 from 1-3pm...

Circle Your Calendar for The Naval Undersea Museum

The Rotary program for **May 17** features Admiral Bruce Harlow discussing the wonders of the Naval Undersea Museum which is located at Keyport near Silverdale. The goal of the museum is to preserve, collect and interpret Naval undersea history, science and operations for the benefit of the US Navy and the people of the United States.

Actually, The Naval Undersea Museum is a two-parter. In an effort to show our kids and grandkids some of the educational opportunities involved with oceanic studies, the Program Committee is recommending a special bus trip (box lunch) from Tacoma to Keyport on **May 19**. We are trying to arrange a special boating demonstration for kids of all ages where the participants have a chance to explore the bottom of Puget Sound and retrieve

wildlife from our local depths.

The Naval Undersea Museum offers educational programs throughout the year for people of all ages ranging from grade school students to adults.

The Education Department serves students in public and private schools as well as those in home school programs. Student programs include focus tours, art and construction projects, films and gallery tours. The museum also participates in special area-wide programs such as Washington Water Weeks and Kids Adventures.

The Rotary Museum trip should be loads of fun. The ocean environment lets visitors experience the remarkable and limitless diversity of the world that lies beneath the sea. Using hands-on activities, visitors learn about the physical properties of the ocean such as buoyancy, pressure, density, heat transfer, light, sound, salinity, and oxygen. A microscope with slides of sea creatures such as starfish and diatoms lets children and adults see some of the fascinating creatures which make up the web of life in the ocean. The exhibit includes a video of the mysterious black smokers and tube worms from the Juan de Fuca Ridge, 300 miles from the coast of Washington State.

Currently complete, and open to the public, is a simulation of the control room of the nuclear fast attack submarine, Greenling (SSN 614), which was decommissioned in 1994. The museum has installed major equipment such as periscopes, ship control panel, and ballast control panel from the Greenling in a simulation of Greenling's control room.

Outside Exhibits include:

Deep Quest, the Navy's research submersible which explored the ocean to a depth of 8,000 feet. This submersible was used to retrieve an atomic warhead off the coast of Spain.

Trieste II (DSV-I), the deep submergence vehicle which descended to 20,000 feet and was used to explore the Marianna Trench.

Please, circle both dates and invite friends and family to both parts of our Undersea Rotary program.

Rotary Happenings - February 15, 2007

By: Don Rennegarbe

The infamous **President Pete** began the meeting by introducing **Becky Fontaine**, who led us in our invocation. Becky chose a prayer from the Hindu tradition asking for peace and serenity for our earth and in each of our lives. Next, the trio of vocalist **President Elect Steve Smith**, piano player **Barbara Mead** and drummer **Chris Kimball** led us in the singing of the National Anthem.

President Pete announced the members who were celebrating club membership anniversaries: **John Allen**, 31 years; **Ron Anderson**, 24 years; **Paul Akiyama**, 3 years; **Dean Piotrowski**, 3 years; **Michele Johnson**, 1 year; **Bill Kaufmann**, 1 year; and, **Cheri Loiland**, 1 year. President Pete also reintroduced **David Vance**, one of our newest members.

Feeling rather forsaken, **Chuck Laguna** announced that we had not a single visiting Rotarian.

Jan Brazzell and the multitasking Steve Smith then grabbed the Roving Mics. Interspersed with the introductions of nine visitors and three of our Interact members, Jan and Steve encouraged any of us who have not yet completed the Centennial Project Survey to do so as soon as possible.

President Pete then provided a long list of praise for our Rotarian of the Week, **Past President Don Doman**. As Pete said, "Don is always there when Rotary calls." President Peter followed up praising Don with a paid announcement for the upcoming "Toolbox" event at the Museum of Glass on February 20.

Rotarians were advised to check the white folders on their tables for important information, the most important content being Wow! Luau Auction procurement forms. We all took time out (without going to our corners) and listened to **Brien Elvins** and **Rusty Hersey** plead for more sponsors and auction items. In order to entice our participation, everyone who completed a form was entered into a drawing for a \$100 gift certificate to El Gaucho.

Our Rotarian of the Week, Don Doman, then returned to the podium to promote a special Rotary bus tour to the Naval Undersea Museum on Saturday, May 17. Bring the whole family! **Past President Jim Whitacre** then presented a check for \$960 to representatives from the Tacoma Family Medicine Clinic at MultiCare. Jim raised the funds through his hosting of a special golfing day for Rotary members.

Onward to the introductions of three new Rotarians. **Don Lloyd** and **Cap Pearson** introduced **Andrea Peterson**, Senior Associate, Commercial Real Estate, C.B. Ellis. Dean Piotrowski will be Andrea's mentor. **Gina Breukelman**, introduced returning member **Lauren Walker**, Executive Director of the Fair Housing Center of Washington. Jan Brazzell will serve as her mentor. And finally, President Pete introduced **Laura Runkle**, Senior Director of Marketing and Public Relations for Franke Tobey Jones Retirement Center. **Dane Meyer** will be her mentor.

Now it was time for **Lori Duester** and our committee focus of the day. Courtney Holt, President of our Interact Club, spoke of how the club has advanced her leadership skills and provided her and other members with meaningful community services opportunities. Great work by all our future Rotarians!

Past President Kathleen Olson then literally provided the birthday mixings for our three present celebrating members. President Pete then limited our True Confessions to four, documenting great time management by our fearless leader.

John H. West introduced our speaker, Bob Wallace, Managing Partner of Wallace Properties Group and former Bellevue Club Rotary Member. The presentation entitled "A Tale of Two Cities" outlined similarities between the past and potential development of Bellevue and Tacoma. Bob described the successful infrastructure development of Bellevue over the last fifty plus years. (I think the city's Chamber of Commerce may have sponsored his presentation.) Bellevue has no less than thirty-nine properties presently being developed. Yes, folks, we too can look forward to \$1.5 million condominiums in the future high rises of Tacoma.

Pete thanked everyone, and we were on our way by 1:30. Oh yes, **Terry Conner** snuck away with the \$100 gift certificate to El Gaucho.

Happy trails.
